## DISCUSS

We can have joy in life, no matter what the circumstances are because God has a plan for each one of us (See Ephesians 2:8-10). One way to experience more joy is to think of all the things God has done for us, who He is, and thank him for those.

- What things has God done that you are thankful for?
- What characteristic of God are you thankful for (like loving, forgiving, etc.)?

## PRAY

Pray that even though the holidays look different this year, you can find joy because God sent Jesus to earth for us.
